# TERMS AND CONDITIONS

These Terms and Conditions, along with the Privacy and Data Protection Policy, are governed by the laws of England and Wales. They apply to all transactions with WECS and to WECS publications and website, whose content is owned and operated by WECS. The copyright and other intellectual property rights, including trademarks, the Society logo and related domain name addresses are either owned by WECS or licensed to us by the owners of those rights. You may not use any of this intellectually-owned content without our permission.

When joining as a member or attending an event we require you to confirm that you have read and agree to be bound by these Terms and Conditions and also by our Privacy and Data Protection Policy. Your personal details (data) are collected, stored and processed according to our Privacy and Data Protection Policy.

## *Events & Booking*

These Terms and Conditions apply to events organised by WECS and to bookings for them howsoever made.

Payment may be made by credit/debit card, cheque, PayPal or bank transfer. WECS is *not* able to collect payment by Direct Debit. Bookings will be regarded as provisional until payment is cleared.

We endeavour to send an acknowledgement of your booking by email, if you have given your email address, or by post, if you have provided an SAE.

At a WECS event, Junior members and non-members under 18 must either be accompanied by an adult or have the permission of their parent or guardian to attend.

Whilst the Society makes every endeavour to hold each event as advertised, WECS reserves the right to amend, postpone or cancel any event as a result of unforeseen circumstances. Our maximum liability shall be a refund of all monies you have paid to WECS for that event. No further liability for any reason will be accepted. If you have booked but are unable to attend an event, any refund will be entirely at the discression of the Committee.

## *Exclusions*

Neither these Terms and Conditions nor our Privacy and Data Protection Policy apply to any external site to which you may have navigated via a link.
